Licensed Occupational Therapist

North Bay Regional Center (NBRC) is a private non-profit corporation under contract with the Department of Developmental Services (DDS) to provide services to people with developmental disabilities in Napa, Sonoma, and Solano Counties. NBRC has a need for continuous recruitment to meet the demands of new referrals of children at risk for developmental delay ages 0-3 for evaluations and therapy. In keeping with Early Start mandates, services are to be provided in the natural environment of the child.

Minimum Qualifications:

1. Possess a current Occupational Therapy license with a minimum of three years post licensure work experience.
2. Experience with pediatric clients and families.
3. Ability to evaluate, diagnosis and treat children under 3.
4. Ability to work with children diagnosed with autism.
5. Ability to work independently.
6. Ability to travel to the homes of the children to develop in home programs.
7. Ability to work collaboratively with NBRC staff, parents and other involved agencies.
8. Reside or maintain a business address within counties of Napa, Sonoma or Solano.
9. Current Professional Liability Insurance policy in the amount of one million dollars.

Highly Desirable Qualifications include:

1. Bilingual skills, especially Spanish speaking
2. Extra study in sensory integration dysfunction
3. Expertise with feeding and swallowing issues.

In addition to professional standards, the vendor will retain the ability to accept referrals and must meet additional State requirements for vendorization. Therapist may accept as few as one or two cases. Please note that vendorization does not guarantee referrals, or on-going use of services. All work is as an independent contractor.

To be considered as an Occupational Therapist vendor please submit a resume to:

Adele Butler, M.A.
Clinical Resource Consultant
North Bay Regional Center
PO Box 3360
Napa, CA 94558
