

Licensed Clinical Assessment Vendor - Specializing in Autism

North Bay Regional Center (NBRC) is a private non-profit corporation under contract with the Department of Developmental Services (DDS) to provide services to people with developmental disabilities in Napa, Sonoma, and Solano Counties. NBRC has a need for continuous recruitment to meet the demands of new referrals of autistic children for intake in both the Napa and Santa Rosa Offices.

Minimum Qualifications include:

1. Experience in evaluating for ASD using ADOS
2. Ability to differentiate ASD diagnosis (PDD-NOS/Asperger's/Autism)
3. Experience in performing psychometric testing/I.Q.
4. Ability to do adaptive skills assessment;
5. Ability to evaluate children younger than three years of age;
6. Current license as a Ph.D./PsyD Psychologist/LMFT/LMSW
7. Ability to work independently
8. Reside or maintain a service business address within counties of Napa, Solano and Sonoma.
9. Current Professional Liability Insurance policy in the amount of one million dollars.

Desired Qualifications include:

1. Bi-lingual, Spanish preferable
2. Ability to travel to both Santa Rosa and/or Napa office sites

In addition to professional standards, the vendor will retain the ability to accept referrals and must meet additional State requirements for vendorization.

Evaluations will be reimbursed for up to 8 hours per client, including testing and report writing time for those consumers with Autism and a standard 5 hour evaluation for all others.

To be considered as a vendor please submit a resume, which includes testing experience, list of references, and a copy of current licensure. Please include copies of recently completed ADOS evaluation reports.

Adele Butler. M.A.
